### HYUNDAI HY40CSW38 20Vx2 ARTIFICIAL GRASS BRUSH

Artificial grass builds up debris, pine needles, moss, and general garden waste throughout the year — and a stiff brush or leaf blower only goes so far. The Hyundai HY40CSW38 is a 40V cordless sweeper with a 128mm rotary brush that lifts and collects material from artificial turf across a 38cm / 15" working width.
